OKTOBERBREST & FUCANCER IPA KICKOFF

NOTES4HOPE IS A MISSION-BASED ORGANIZATION THAT BUILDS A COMMUNITY AROUND THE HEALING POWER OF MUSIC TO RAISE FUNDS AND PROVIDE EDUCATION FOR BREAST CANCER PREVENTION INITIATIVES.

DEAR PROSPECTIVE SPONSORS,

On behalf of the Notes4Hope Board of Directors, we invite you to support **Notes4Hope**, now in our 11th year! We are producing two live music events and the release of our 4th annual FUCancer IPA during Oktoberbrest, in partnership with Bay Area award-winning breweries - Canyon Club, Ghost Town, Del Cielo, and Buck Wild.

Did you know that less than 10% of breast cancers are genetic? That means other factors, including environmental, play a major role in developing breast cancer. We believe that with your financial help, we can reduce and eliminate many of these factors through research, education, and prevention initiatives.

Your contribution allows Notes4Hope to continue creating these magical events, to distribute free Wellness and Recovery (WAR) kits to those in need, to enable critical research, and to help disseminate wellness and prevention education to our community at large.

Thank you,

“Imagine your days filled with pain, uncertainty, and loneliness. That’s cancer. There are no manuals teaching you how to cope with repeated marathon surgeries, nauseating chemotherapy, and exhausting radiation treatments. My personal experience opened my eyes to the vital importance of providing support and information to everyone facing this disease, and the foundation for Notes4Hope.”

Notes4Hope Wellness & Recovery (WAR) kit features handpicked items that provide comfort during and after treatment, as well as education on making simple changes by swapping out daily-use products for clean, non-toxic versions, including skin items verified by the [Environmental Working Group \(EWG\) Skin Deep database](#).

“I loved the WAR kit and all it represents. It was very comforting to know I could use holistic products and feel taken care of. All the products are top notch! At a very fragile and uncertain time, I knew I was not alone and had a resource to reach out should I need it, so thank you!”
